RESPONSE TO EXAMINER'S INTERVIEW

The following is filed in response to the telephonic Interview with Primary Examiner Joseph L. Williams on July 18, 2006. Applicants have filed two amendments in this reissue application (on November 4, 2005 and June 29, 2006) in response to two Office Actions issued October 4, 2005 and April 3, 2006, respectively. Each amendment amended different claims, and this Response will include two sets of Replacement Claims, one for each Amendment previously filed, and combined will include all claims amended in the respective amendments. The Replacement Claims are being filed in proper reissue format as requested by the Examiner. The content of the claims are the same as those in the original Amendments.
